Average

Good but sanskrit was very difficult

The periodic assessment too much

Excluding ayurved itihaas everything was absolutely phenomenal.

Project compilation should be less

Teaching should be done with proper preparation.

Teaching is good

1st professional clear...

Take the nice to know part seriously

Overall good

1st year all subjects cleared

Syllabus was well organized

Paper pattern of our ut exam was not followed properly

All teaching staff is good and they make 1st year very easy
