Remarks and suggestions

50 responses

1. No
2. -
3. Adequate
4. NA
5. Curriculum is very much effective for practical based knowledge and skills development for students.
6. Exam May be minimised
7. Training for taking practicals are required
8. Old System of syllabus was topic rilivant new syllabus pattern not convenient.
9. Nothing
10. Syllabus well designed
11. PA examinations should be reduced ,creates too much burden on students
12. Adequate syllabus
13. All on a average
14. Avelabal curriculum is easy to understand students
15. Very good
16. To reduce the no. of periodical assessment
17. Good
18. To Reduce the number of exam for internal assessment.
19. Periodic assessments should be minimized, third internal exam. should be added.
20. Syllabus of course is adequate.
21. Once again Practical Curriculum should be Properly Revised ,Internal exam number should be minimal, Irrevelant Ayurvedic Topic so should be Removed.
22. Nice initiative
23. Syllabus meets today's era.
24. More Dravyas should be included
25. None
26. Syllabus is enough for Second Rasashastra & Bhaishajya Kalpana Subject.
27. Satisfactory syllabus
28. Overall good
29. Include less drugs in Dravyaguna
30. Internal Assessment should be less
31. Surprise exams are good rather than scheduled exam for personal assessment
32. As per needed in modern era.
33. Nothing

34. PG level syllabus and complicated
35. Very nice
36. No suggestions
37. Everything is going well with the second BAMS syllabus of Rognidan, but I would like to highlight one point. NCISM should allow some flexibility in the topics (both theory and practical) to help with proper planning of the teaching program, as we are facing some difficulties in executing the syllabus.
38. For example, the ward practical are from the first term, but the diseases are from the second term. This makes it hard for students to connect the clinical findings of the patients in the ward with the disease pathology.
39. Therefore, my suggestions are:
- 40 Give teaching staff some flexibility for better execution of the syllabus.
- 41 Ensure that diseases, ward practical, and lab practical are taught together for better understanding (From 1st term itself).
- 42 Reduce NLH.
- 43 Reduce Internal assessment exams
- 44 Kindly give separate and specific list of NLH activities for Rachana Sharir.
- 45 Nothing specific
- 46 Minimize PA exam
- 47 Nice curriculum
- 48 Need some up gradation in teaching pattern, for that workshop must be taken for teachers regarding CBDC curriculum.
- 49 Unnecessarily stretched.
